Sec. 5109. Bureau of Transportation Statistics, (e) National Transportation Library

(e) National Transportation Library. --

(1) In general. -- The Director [of the Bureau of Transportation Statistics] shall establish and maintain a National Transportation Library, which shall contain a collection of statistical and other information needed for transportation decision-making at the Federal, State, and local levels.

(2) Access. -- The Director shall facilitate and promote access to the Library, with the goal of improving the ability of the transportation community to share information and the ability of the Director to make statistics readily accessible under subsection (c)(5).

(3) Coordination. -- The Director shall work with other transportation libraries and other transportation information providers, both public and private, to achieve the goal specified in paragraph (2).

National Transportation Library preservation note: The information in this document is excerpted from the United States Code and U.S. Public Law, in order to provide interested users quick access to the sections of laws and mandates pertaining to the National Transportation Library.
